1. Your suggested Bachelor Project's title on this form needs previous agreement by your 1st supervisor before you hand in this form. The topic of your Bachelor thesis can be subject to change within an adequate scope, if the supervising professor agrees.
Any change must be first discussed with and agreed by the 1st supervisor, and then applied for to the head of examination board.
The final master certificate will display the title from the submitted Bachelor thesis' cover page. If the title was changed, the new title must be submitted to the examination office.
2. If you don't have achieved 170 credits or IP you have to apply for an exemption at the head of examination board.
